**Grace Episcopal Day School Hosts Family Fun Walk and Run and Family Fun Day!**

**Grace Episcopal Day School hosted the first annual Family Fun Walk and Run on Saturday, October 16<sup>th</sup> at its Kensington campus.** Over 60 students, parents, alumni and friends ran and walked the one-mile course. Sponsored by Grace's *Girls on the Run* Club, who made promotional posters and led the warm ups, the event raised money for physical education and outdoor activities at Grace through the Drew Nealley Fund.

Immediately following the Walk and Run, the Grace community gathered for **Family Fun Day sponsored by the PTO.** Activities included tricycle races, face painting, pony rides, book, bake and bulb sale, pizza, an alumni gathering and fun!

**Grace Episcopal Day School** opened its doors for its 51st year of compassion, inspiration and learning in September, and can be found on the web at [www.geds.org](http://www.geds.org). Students in our 3's through 8<sup>th</sup> grade classes are served on two campuses in Silver Spring and Kensington. The Grace community is dynamic, inclusive and dedicated to the school's mission of providing a nurturing educational environment which promotes academic excellence and dedication to service. For more information on Grace and to receive admissions materials, please contact our offices at 301-585-3513 x 19.
